1. Minutes for June 4, 2020

Academic and Student Affairs Committee Minutes
Trustee Nicole Washington, Chair
June 4, 2020

The meeting was called to order by Trustee Nicole Washington. Ms. Valeria Singleton called the roll and the following committee members were present: Ann Marie Cavazos, Kristin Harper, Dave Lawrence, Xavier McClinton, and Nicole Washington. A quorum was established.

Trustee McClinton moved to approve the minutes for the meeting on March 4, 2020. The motion was seconded by Trustee Harper and the motion carried.

The Committee recommended approval of the following items:

Tenure - Applications for tenure were reviewed by the departments, the colleges/schools, the University Tenure and Promotion Committee, Provost Edington, and President Robinson. The applicants were evaluated based on their professional experiences, teaching effectiveness, university service, public service, demonstrated contributions to their teaching discipline, technical and performance competencies, records of publications and research, certifications and exceptional scholarly or creative activities.

The following faculty members were nominated for tenure:

Applicant	College/School	Rank
Terrell Brown	CSSAH	Asst. Professor
Jenise Hudson	CSSAH	Asst. Professor
Kenya Washington Johnson	CSSAH	Asst. Professor
Jeneen Surrency	CSSAH	Asst. Professor
Zachary Showers	CSSAH	Asst. Professor
Phyllis Welch	CSSAH	Asst. Professor
Daniel Osborne	CST	Assoc. Professor
Thomas Sawicki	CST	Asst. Professor
Keerthisinghe Senevirathne	CST	Asst. Professor
James Strohaber	CST	Asst. Professor

FLORIDA **A&M** UNIVERSITY
Board of Trustees

Applicant	College/School	Rank
Donald Axelrad	COPPS	Assoc. Professor
Tammie Johnson	COPPS	Assoc. Professor
John Luque	COPPS	Assoc. Professor
Rajiv Dalal	SOAHS	Asst. Professor
Samique March-Dallas	SBI	Asst. Professor
Errick Farmer	SBI	Assoc. Professor
Sevilla Bronson	SON	Asst. Professor
Daniel Solis	CAFS	Asst. Professor
Aavudai Anandhi Swamy	CAFS	Asst. Professor
Rebecca Blankenship	COE	Asst. Professor
Cheron Davis	COE	Asst. Professor
Alishea Rowley	COE	Asst. Professor
Nicholas Thomas	COE	Asst. Professor

A question was asked concerning the faculty workload study and the balance of faculty members being nominated for tenure. Dr. Edington stated that there was an excellent representation and distribution with respect to gender of the faculty members that are being nominated for tenure.

Trustee McClinton moved to approve the nominations for tenure. The motion was seconded by Trustee Cavazos and the motion carried.

College of Pharmacy and Pharmaceutical Sciences Name Change - In an effort by the College of Pharmacy and Pharmaceutical Sciences to include the Institute of Public Health in the name of the unit, a request to change the name of the college was submitted for approval. The request was approved by

the Faculty Senate. The new name for the college will be College of Pharmacy and Pharmaceutical Sciences + Public Health. In addition, we are requesting a renaming of the four experiential sites to reflect the nomenclature that is relevant to academic pharmacy.

The instructional sites will include “Florida A&M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health” followed by the regional names:

- The Davie site will now be **South Florida Pharmacy Practice Center.**
- The Jacksonville site will now be **Northeast Florida Pharmacy Practice Center.**
- The Tampa/Orlando site will now be **Central Florida Pharmacy Practice Center.**
- The Northwest Florida site will now be **Durell Peaden Jr. Rural Pharmacy Education Campus.**

An observation was made concerning the long name for the College of Pharmacy and Pharmaceutical Sciences + Public Health. Dr. Edington stated that the Institute of Public Health has always been a high profile and prominent component of the college, but it failed to get the recognition. In addition, the institute is playing a prominent role around the state during the pandemic. So, this name change will help provide proper branding for the unit.

Trustee McClinton moved to approve the renaming of the College of Pharmacy and Pharmaceutical Sciences. The motion was seconded by Trustee Cavazos and the motion carried.

Academic Calendar 2021 - 2022 - The academic calendar for 2021 - 2022 was presented to the Board of Trustees for approval, in accordance with Florida Board of Education Rule 6A-10.019. Additionally, the Board of Governors Regulation 8.001 requires each university to adopt an annual calendar which includes the beginning and ending dates for each semester, the dates for final examinations, and the dates for the issuance of diplomas.

Please note that the beginning and ending dates of each semester, the holidays, and the breaks have been agreed upon by the Calendar Committee, which includes representatives from Florida A&M University, Florida State University, and Tallahassee Community College. The Calendar Committee meets annually to coordinate the calendars of the three educational institutions in Tallahassee.

Trustee Harper moved to approve the academic calendar for 2021 - 2022. The motion was seconded by Trustee McClinton and the motion carried.

Sabbatical and Professional Development Leave - Each year the university provides the faculty an opportunity to apply for sabbatical or professional development leave for the succeeding year. This year, eight faculty members are being recommended for approval. In addition, there were no applications for professional development leave.

In reviewing the applications, the Sabbatical and Professional Leave Committee considered the programs and activities that will occur while on leave; the expected increase in value of the employee to the university and to the employee’s academic discipline; specific results anticipated from the leave; and any other prior leaves that had been provided to the faculty members. A brief synopsis of each sabbatical

project was provided in the committee packet: Dr. Dawn Brown-Cross, School of Allied Health Sciences; Dr. Emma Waters Dawson, College of Social Sciences, Arts, and Humanities; Dr. Edward Jones, College of Science and Technology; Dr. Carl Moore, FAMU-FSU College of Engineering; Dr. Mandip Sachdeva, College of Pharmacy and Pharmaceutical Sciences; Professor Omar Saleem, College of Law; Dr. Daaim Shabazz, School of Business and Industry; and Dr. Henry Neal Williams, School of the Environment.

Trustee Cavazos moved to approve the request for sabbatical leave for the eight faculty members. The motion was seconded by Trustee McClinton and the motion carried.

Request for Leave Without Pay for Dr. Carol Scarlett - In accordance with BOT Policy Number 2005-21, the university will consider requests for unpaid leave of absence from regular employees who have at least one year of continuous service. The university grants leave of absence for the following reasons: parental, medical, educational, military service, and personal. Dr. Scarlett requested leave without pay to conduct work at Argonne National Laboratory from August 10, 2020 through May 10, 2021.

Trustee Harper moved to approve the request for leave without pay for Dr. Carol Scarlett from August 10, 2020 through May 10, 2021. The motion was seconded by Trustee Cavazos and the motion carried.

Amendments to Student Affairs Regulations – Dr. William Hudson, Jr., presented revisions to the following regulations:

- Regulation 2.001 – Housing
- Regulation 2.011 – Assessment and Care Team
- Regulation 2.012 – Student Code of Conduct
- Regulation 2.013 – Due Process, Other Rights and Responsibilities
- Regulation 2.026 – Student Meal Plan
- Regulation 2.028 – Anti-Hazing

Trustee Lawrence moved to approve the revised regulations. The motion was seconded by Trustee McClinton and the motion carried.

Student Affairs Updates – The following informational updates were provided:

- Updates were provided on student support services, enrollment management, and hazing prevention initiatives.
 - The university has hired 13 new advisors and has extended offers to 12 additional advisors. It is anticipated that the new advisors will begin employment on July 10, 2020. These new hires will bring the total core group of academic advisors to 48. In addition, the university added three mental health positions to our Counseling Center this academic year. Two positions have been filled and there is an active search to fill the remaining position.

- An update was also provided on the enrollment numbers for summer 2020 and fall 2020.
- Mr. Bryan Smith provided an update on the hazing prevention initiatives.
 - There is currently one active hazing related investigation that is ongoing.
 - We will be facilitating a virtual SUS Hazing Prevention Summit and the tentative date is July 31, 2020.

Academic Affairs Updates – The following informational updates were provided:

- Provost Edington provided updates on key initiatives.
 - The Licensure Pass Rate Task Force has completed its work and the team is now conducting comprehensive evaluations of the nursing and law programs. In addition, recommendations have been prepared to assist both programs in improving and sustaining high licensure or pass rates for first time test takers. The recommendations for pharmacy and physical therapy will be finalized in July.
 - FAMU continues to make progress on the state’s performance funding model. FAMU earned a total of 73 points this year and this is the highest score the university has ever achieved. Dr. Robinson will provide additional information during the President’s Report.
 - We are actively preparing for the fall semester where we will deliver instruction via a hybrid mix, which is a combination of online instruction and face-to-face instruction. In addition, faculty is going through a formal certification process to teach online courses. Also, part of the training is focused on pedagogical best practices. Further, the university is working to secure additional equipment and technology to support online instruction.

There being no further discussion, the meeting was adjourned at 10:44 a.m.

Respectfully submitted,

Nicole Washington, Committee Chair

Agenda Item: IV

Subject: Amendment to BOT Regulation 2.015 - Admissions

Proposed Board Action: The Board of Governors approved the amendments to Regulation 6.002 on March 25, 2020. As a result, the university must also amend Regulation 2.015 - Admissions to reflect the recent amendments. The amendments presented to the FAMU Board of Trustees are consistent with the Board of Governors Regulation 6.002 and has been reviewed by the Office of General Counsel.

Attachment: Yes

1. Regulation 2.015 - Admissions

2.015 Admissions.

2

- (1) Admission of students to Florida Agricultural and Mechanical University (University or FAMU) is within the jurisdiction of the University, but subject to the minimum standards adopted by the Board of Governors. Applications may be located at www.famu.edu/admissions. Each applicant must submit an admission application along with the requisite nonrefundable fee. Fee waivers are accepted from First-Time-in-College Florida residents who can document that they have received a fee waiver based on economic need as determined by the College Board or the American College Testing Program. Submission of applications may be as early as twelve (12) months prior to the anticipated enrollment date and by the deadline stated in the university calendar
In all admission activity, the University will give attention to the need to satisfy equal opportunity affirmative action goals.
- (2) No person shall be admitted, enrolled, or matriculated who does not meet the standards set by the University, which include but are not limited to having received a high school diploma or its equivalent (e.g., GED), except as provided in Section 1007.271, F.S., as now or as hereafter amended.
- (3) Prior to registration, each student must complete ~~Completion of~~ a FAMU Health History and Immunization form signed by the applicant. All entering applicants born in or after 1957 must provide proof of immunizations which is mandatory prior to enrollment. ~~medical/health history form, including a Mmandatory Immunization form is required of FAMU. students prior to registration.~~ FAMU Student Health Services is responsible for oversight of student immunization compliance and reserves the right to require immunizations based on recommendations from the Centers for Disease Control and Prevention (CDC), the Florida Department of Health, the Florida Board of Governors, or the FAMU Board of Trustees. FAMU reserves the right to refuse registration to any applicant, former student, or student whose health record indicates the existence of a condition which may be harmful to the members of the University community.
- (4) An application, ~~application fee, or~~ residency affidavit, ~~or supporting documentation~~ submitted by or on behalf of a student which contains false, fraudulent, misleading, or incomplete statements may result in denial of admission, ~~or~~ denial of further registration, ~~and/or~~ invalidation of FAMU credits or degree earned, and/or disciplinary action up to and including expulsion.
- (5) Admissions shall be on a selective basis within curricular, space, and fiscal limitations. The selection process shall include, but is not limited to, consideration of multiple factors such as grades, test scores, educational objectives, class rank, pattern of courses completed, past conduct, school recommendations, personal recommendations, character, talent, and personal records.
- (6) All applicants for admission or readmission to the Florida A&M University, including applicants for post-baccalaureate or non-degree-seeking attendance, and regardless of program of study, are required to disclose on the application prior criminal conduct, pending criminal charges, and prior educational misconduct. The University reviews all applications

in which a student discloses prior criminal conduct or prior educational misconduct to determine whether the admission of the applicant is in the best interest of the University. Applicants who fail to disclose prior criminal misconduct, pending criminal charges, or any prior educational misconduct are in violation of the disclosure requirements of this paragraph and may be subject to appropriate action by the University, including denial of admission or readmission, revocation of admission, or other academic and/or disciplinary action prescribed by the University, up to and including dismissal. Criminal conduct which must be disclosed includes all felony and misdemeanor convictions and any driver's license revocation or suspension, regardless of the jurisdiction. This includes cases in which the applicant pled *nolo contendere* and also cases in which adjudication was withheld. Applicants are also required to disclose any pending criminal charges. Applicants are not required to disclose a conviction or charges which were expunged or sealed by the court. Applicants are not required to disclose traffic citations which result only in a fine. Applicants are not required to disclose minor traffic violations.

- (7) Admission to the University does not guarantee admission to a specific school, college, or limited access program that may have additional or higher requirements that the applicant must meet. Admission requirements to a specific school, college, or limited access program is published in the General Catalog of the University.

Undergraduate Admission of First-time, Degree-seeking Freshman.

- (1) Applicants for admission as first-time, degree-seeking freshman (FTIC) must meet the minimum requirements set forth in Florida Board of Governors Regulation 6.002 as well as any admissions criteria set by the University. A first-time, degree-seeking freshman is a student who has earned a high school diploma from a Florida public or regionally accredited high school, or equivalent and who has earned fewer than twelve (12) semester hours of transferable college credit since receiving a high school diploma or its equivalent.
- (2) Admission to the University shall be on a space available basis. Students judged to have a greater probability of academic success at Florida A&M University the University will be given priority in admissions when FTIC enrollment must be limited.
- ~~(3) Admission to the University shall be on a space available basis. Students judged to have a greater probability of academic success at Florida A&M University will be given priority in admissions when FTIC enrollment must be limited.~~
- (4) The Office of Undergraduate Admissions will consider all appeals based on newly submitted academic or personal information that was not present in an applicant's initial admission application. The Office of Undergraduate Admissions conducts a holistic review of applicants who do not meet our automatic admissions requirements (3.0 FAMU Recalculated GPA, ACT 19 English, 22 Math 22 Read or SAT 27 SWLAN, 27 Read, 26 Math).^[TSR1] Applicants who do not meet our automatic requirements are reviewed for admission in the two terms spring and for our the Summer Bridge Program.^[TSR2] In most cases, if a student is redirected, the student fell below. If an applicant does not meet the minimum requirement of the Florida Board of Governors minimum requirements and do not meet our the University's Summer Bridge requirements, the

applicant will be redirected to participate in the University's IGNITE Program. Our In addition, the University's Summer Bridge Program has a limited space enrollment cap and when all of the enrollment cap is satisfied, spots are filled, students will be encouraged to participate in the our IGNITE Program. As a result of our holistic review process, it is unusual for us the University to reverse an admission decision unless the applicant is able to show an increase in GPA, High School Units, and/or Test Scores^[TSR3].

Admission of Undergraduate Transfer Students.

- (1) The admission of Florida College System institutions Associate in Arts and state articulated Associate in Science transfer students is governed by the Articulation Agreement between the state universities and the Florida College System, the Florida A&M University general admissions policy and, as applicable, the appropriate FAMU international student admission policy. Within curricular, space, and fiscal limitations, Associate in Arts and state articulated Associate in Science degree recipients of the State University System and Florida College System shall be admitted.
- (2) Undergraduate transfer students who have not earned the Associate in Arts or state articulated Associate in Science degree from a state university or Florida College System institution must meet the general admission requirements of the University and the following requirements:
 - (a) Transfer applicants for admission must meet the minimum requirements set forth in Florida Board of Governors Regulation 6.004 as well as any admission criteria set by the University.
 - (b) Applicants must be in good standing with and eligible to return to the last institution they attended.
 - (c) Applicants must have a grade point average of at least 2.0 on a 4.0 point scale for all college level course work attempted as well as at the last institution attended.
 - (d) Applicants whose native language is not English must demonstrate English proficiency by successfully completing one of the approved methods outlined by the International Education Office. in FAMU.
- (3) Exceptions may be made on an individual basis when, in the judgment of the Admissions and Standards Committee, a student can reasonably be expected to do satisfactory academic work.
- (4) The Office of Undergraduate Admissions will consider all appeals based on newly submitted academic or personal information that was not present in an applicant's initial admission application. The Office of Undergraduate Admissions conducts a holistic review of applicants who meet our automatic admissions requirements. In most cases, if a student is redirected, the student fell below the Florida Board of Governors minimum requirements and it is unusual for us to reverse an admission decision unless the

applicant is able to show an increase in GPA or can prove the student will complete the necessary courses prior to the start of the applicant's desired term of entry.

Written proof of insurance must be provided from an American-based company and valid for one year from the date of first enrollment and each year thereafter.
- (5) The Office of International Education and Development is responsible for administering special programs for all sponsored international students. There is a requisite administrative cost per student per semester to the sponsoring agency for these required programs.

Readmission as Undergraduate Student.

- (1) A student must apply for readmission to the Registrar's Office when:
- (a) the student has not enrolled at FAMU for two consecutive semesters (not including the Summer term);
 - (b) the student has been academically suspended from FAMU;
 - (c) the student failed to enroll or withdrew from all classes during the readmitted term; or
 - (d) the student has previously attended, or is currently enrolled at FAMU, as "degree seeking" and desires to pursue a second bachelor's degree.
- (2) Students can apply on-line by visiting the website at www.famu.edu/admissions and paying the applicable application fee.
- (3) Applications from students who have permanent University holds or who are not in good standing with the university will not be processed.

(24) Even where a student is eligible to apply for readmission, readmission is within the discretion of the University and is not automatic. A student who is ineligible for readmission may not apply for readmission, and any such application submitted will not be considered; there is no appeal for a student who is ineligible for readmission.

~~(3)~~ (5) -Readmission for Servicemembers.

Servicemembers who are required to stop attending classes because of military service will be granted readmission in accordance to 34 C.F.R. § 668.18.

Inter-Institutional Transient Registration.

(1) A student, by mutual agreement of the appropriate Dean or designated academic authorities at both the parent and host institutions, may be allowed to register as non-degree seeking transient student. Transient applicants may receive a waiver of regular admission requirements of the host institution if credit earned will be accepted by the parent institution.

(2) Interinstitutional transient status is normally limited to one term. Enrollment as a transient student in no way implies future admission as a regular student at FAMU.

Early Admission:

The University provides an early admission program for outstanding high school students who demonstrate potential to do college-level work. Applications for early admission should be submitted during the junior year along with high school transcripts and SAT or ACT scores. A recommendation from the principal (or designated representative) is required. Additional requirements are as follows:

(a) A “B” or better high school average in the core academic subjects;

(b) Meet the minimum SAT or ACT test score requirements for undergraduate FTIC admission; and

(c) Eighteen (18) core academic units as indicated under paragraph (2)(c) of this regulation

Special Provisions for Veterans and Active Duty Military Students

(1) FAMU will grant college credit to students with military training, experience, or coursework that is recognized by the American Council on Education (ACE). Military training, experience or coursework is subject to FAMU’s regular transfer practices including limitations on amount and level of transfer credit.

(a) FAMU will utilize the ACE Guide to the Evaluation of Educational Experiences in the Armed Services to determine equivalency and alignment of military coursework with appropriate university courses.

(b) If the military training or coursework equivalency fulfills a general education or degree program requirement, FAMU will apply the credit accordingly. For courses deemed

college equivalency that FAMU does not offer or does not meet a general education or program course requirement, the student will receive elective course credit.

(c) Credit that was previously evaluated and awarded by another SUS Institution or other Florida degree granting college or institution and that is appropriate to the transfer student's major will be accepted subject to institution transfer limitations.

(d) Credit awarded for military education and training will be noted on the transcript and documentation of the credit equivalency evaluation will be maintained.

(e) Credit awarded for military education and training shall not be counted in the excess hours fee per Board of Governors Regulation 7.003 Fees, Fines and Penalties due to the credit being based on work accomplished while serving on active duty.

(2) Priority course registration will be provided for each veteran of the United States Armed Forces who is receiving GI Bill educational benefits and for the spouse or dependent children of a veteran to whom the GI Bill education benefits have been transferred.

(3) Any student enrolled in a college credit course at FAMU will not incur academic or financial penalties by virtue of performing military service on behalf of our country. Students in this situation are encouraged to withdraw and will be provided any eligible refund without academic penalty, unless the student and faculty member agree that completion is imminent and possible. If the course is no longer offered when the student seeks to resume study, an equivalent course may be selected. If the student chooses to withdraw, the student's record shall reflect that the withdrawal is due to active military service. This section applies to:

(a) Students who are currently on active duty with any unit of the United States Armed Forces who receive orders that require reassignment to a different duty station or absence from class for an extended period of time during the semester in which they are enrolled;

(b) Students who are members of a National Guard, Air National Guard, or other military reserve unit who receive orders calling them to active duty for operational or training purposes during the semester in which they are enrolled, excluding any regularly scheduled weekend and annual training duty;

(c) Students who are veterans of the United States Armed Forces and who are recalled to active duty during the semester in which they are enrolled; and

(d) Students who enlist in any branch of the United States Armed Forces and whose induction date falls within the semester in which they are enrolled.

College Credit for Nontraditional Courses Prior to Initial Enrollment

(1) Undergraduate students who are admitted to the [University](#) and who have completed nontraditional courses, including online and short college level courses, prior to initial enrollment in undergraduate education may request that the [University](#) evaluate that work to

determine if credit might be awarded. Sufficient time must be allowed for the μ University to evaluate the course material for transferability.

(2) Award of credit for that work must meet the following conditions:

- (a) The request is made prior to the initial term of enrollment and as soon as practicable.
- (b) University faculty members determine the nontraditional course content and learning outcomes to be comparable to a course offered at the institution;
- (c) Nontraditional courses meet the quality and accreditation standards intended for a transfer course as determined by the College of Undergraduate Studies in consultation with other units, as appropriate;
- (d) If the course is intended to meet a specific requirement for the student's degree program, the department offering the program determines that the nontraditional course is relevant to the student's intended program of study; and
- (e) If the coursework was delivered by a foreign institution, the coursework and accreditation status of the institution must be evaluated by an appropriate service provider acceptable to the μ University.

(3) Students wishing to have such nontraditional coursework evaluated for the purpose of receiving credit should inform the FAMU Office of Undergraduate Admissions as soon as practicable. If credit for the nontraditional coursework was awarded by another accredited institution of higher education meeting university transfer eligibility requirements, the student must submit an official transcript reflecting the award of credit and the transferability of that work will be determined with the same processes and criteria for other transferred courses.

(4) If the nontraditional coursework did not result in credit awarded by a previous institution, the student may request a review for the awarding of credit by providing the following information directly to the academic department that is qualified to evaluate the subject matter:

- (a) A syllabus for the course;
- (b) Credentials of the faculty member(s) teaching the course;
- (c) Course objectives and learning outcomes for the course;
- (d) Confirmation that the course was satisfactorily completed; and
- (e) Other information requested by the subject area faculty member(s) in order to determine demonstrated mastery of course learning outcomes. This may include a

- proctored testing requirement. To ensure there is sufficient time for review, all required documentation must be submitted no later than three months prior to the start of the initial term of enrollment. Assuming all requested information is provided, normally a decision regarding the awarding of credit shall be made within the first term of enrollment.
- (5) To be eligible for credit, short courses for credit shall have the same number of contact hours as do regularly scheduled courses. Other nontraditional courses must have an appropriate substitute(s) for the associated contact hours. The review of nontraditional course(s) must document equivalency with traditional course(s) when such traditional courses exist.
- (6) Courses may be evaluated on the basis of the recommendations of the American Council of Education (ACE) when official credentials have been properly presented. While credit may be granted when courses are equivalent to those offered by the University, recommendations by ACE are not binding upon the University. Even though records may have been evaluated by another accredited institution, it is important to have official credentials sent to FAMU for evaluation.
- (7) Credit for coursework taken prior to the initial term of enrollment will be noted on the student's transcript.
- (8) An undergraduate student wishing to appeal the University's redirect of credit for nontraditional courses may submit an appeal, in writing, to the College of Undergraduate Studies within thirty (30) days of the date that the redirect is sent to the student.

Acceleration Mechanisms.

- (1) The use of acceleration mechanisms shall be governed by the Articulation Agreement between the state universities and the public community colleges-State Colleges of Florida, Florida Board of Governors Regulations and Sections 1007.23 and 1007.27, F.S.
- (2) A maximum of forty-five (45) semester hours in any combination of extension, College Board Advanced Placement Program (AP), International Baccalaureate Program (IB), correspondence, College Level Examination Program (CLEP), Armed Forces Services School Credits, and University Credit by Examination credit will be accepted by the University and may be applied toward an undergraduate degree. Credit earned by acceleration mechanisms also applies towards satisfaction of the Summer Attendance Requirement. The acceptance of credit for degree purposes shall be subject to state statutes and review by the appropriate college academic standards committee.
- (3) The Florida A&M University shall award credit for specific courses identified by the Florida Department of Education for which competency has been demonstrated by successful passage of examinations of the CLEP, AP, IB, Cambridge AICE exams, DANTES, and Excelsior College Examinations. Credit is awarded only if exam scores are sufficiently high at the time the score is received at FAMU. Credit will not be awarded if it duplicates credit already awarded.

(4) Regularly enrolled degree-seeking undergraduate students at the Florida A&M University may participate in the University-FAMU course credit by examination program. Prior approval to participate in the program must be obtained from the chair of the department in which the course is offered. Credit by examination shall not be given for any course lower in content than courses in the same discipline in which a student is currently enrolled or has completed.

(5) Credit by examination cannot be used to raise a grade in a course previously completed or to meet the twenty-five percent residency hours requirement.

Graduate Studies.

Minimum University ~~admissions requirements~~ for admission to graduate degree program:
~~students to be granted admission to a graduate degree program, a~~ Applicants must either:

(1) Hold a baccalaureate degree from an accredited institution of higher education and have earned a Grade Point Average (GPA) of 3.0 or higher in the last 60 credit hours of undergraduate work taken while enrolled as an upper-division student working towards a bachelor's degree. OR

Post-baccalaureate Non-degree Students.

A person who holds a bona fide baccalaureate degree but who is not officially admitted to or approved for graduate study may be permitted to take a limited number of graduate courses up to 12 semester hours. Successful completion of such post-baccalaureate coursework shall have no affirmative bearing on the student's admissibility to graduate study, and may, or may not, at the discretion of the appropriate officials of the University, be used for graduate degree credit when or if such student subsequently gains admission to graduate study. *Any student, who attempts to exceed the 12 credit hour limit without being accepted into a degree-seeking program at the University, will be placed on a registration hold. The hold can only be cleared upon producing evidence of admission to a degree seeking program.*

(+) Transfer of Credits.

- (a) At the discretion of the appropriate academic unit, a maximum of six (6) semester hours at the master's level and twelve (12) semester hours at the doctoral level of graduate course work taken prior to the term of admission into a graduate program may be accepted by the University at the master's and Ph.D. levels, respectively, from another accredited graduate school in the United States, provided that the grades are "B" or better, the subjects are acceptable to the department or program concerned, as a part of the student's graduate program, and the courses are not counted toward a previous degree at the accredited university.
- (b) Transfer credits that are not counted toward a previously earned degree within [Florida A&M](#) the University are limited to twelve (12) semester hours, except when the credit hour requirement for the graduate program exceeds the University-wide minimum requirement of thirty-six (36). In this case, additional transfer credits up to a maximum of fourteen (14) semester hours may be allowed to the extent of the additional required hours by the program. The University does not accept experiential learning for transfer credit.
