# FLORIDA A&M UNIVERSITY
## Board of Trustees
## ACTION ITEM

## Academic and Student Affairs Committee
Wednesday, September 22, 2022
Agenda Item:

**Subject**:  Textbook and Instructional Materials Affordability Annual Report

**Proposed Board Action**: Board of Governors Regulation 8.003 Textbook and Instructional Materials Affordability requires an annual submission of a Textbook Affordability Report each year.  Approval of Florida A&M University's report for 2022 is recommended. Upon approval, the report will be submitted to the Chancellor of the State University System.

**Attachments**: Textbook and Instructional Materials Affordability Annual Report

| Textbook and Instructional Materials Affordability Annual Report |
|---|

**Instructions**

1. Complete each tab/worksheet as designed.  The template reflects the interpretation of the reporting requirements by Board staff.
   Do not edit the content of the template.  Expand the response space as needed.
2. Statutory due date is September 30, 2022.
3. If there are questions, contact Lynn Nelson, Director of Student Affairs - lynn.nelson@flbog.edu
4. Include the university contact name and email for the staff who completed the report below: Sundra Kincey (sundra.kincey@famu.edu) and Crystal Bryant (crystal.bryant@famu.edu)

**University Contact Name and Email:**　　　　Sundra Kincey　　sundra.kincey@famu.edu

## Textbook and Instructional Materials Affordability Annual Report
## Fall 2021 and Spring 2022

University Submitting Report:     : Florida A&M University

Date Approved by the University Board of Trustees:                                                                22-Sep-22

| Textbook and Instructional Materials Selection Process |
|---|

Report the textbook and instructional materials selection process used for general education courses with high enrollment.  Include the course prefix(es) and number(s), the course title(s), and the total number of courses (*n=* ).  In column "F," use the drop-down arrow in each cell to select the appropriate selection process.  The methodology for determining high enrollment courses is as follows: *Order courses (course prefix/number) by headcount enrollment, excluding honors courses.  The top 10% of courses are determined as high enrollment.*

| General Education Courses with High Enrollment | | Total Number of Courses (n =) | Selection Process | If "other," describe |
|---|---|---|---|---|
| Course Prefix & Number | Course Title | | | |
| AFA 3104 | The African American Experience | 1 | Combination of the Above | |
| AMH 2020 | US History 1865-Present | 2 | Combination of the Above | |
| BSC 1005 | Biological Science | 11 | Combination of the Above | |
| BSC 1010 | General Biology I | 9 | Combination of the Above | |
| BSC 1011 | Generaal Biology II | 3 | Combination of the Above | |
| CHM 1030 | Introduction to Chemistry - NS Majors | 1 | Combination of the Above | |
| CHM 1045 | General Chemistry I | 7 | Combination of the Above | |
| CHM 1046 | General Chemistry II | 5 | Combination of the Above | |
| ECO 2013 | Principles of Economics I | 9 | Combination of the Above | |
| ECO 2023 | Principles of Economics II | 2 | Combination of the Above | |
| HSC 1100 | Health Modern Living | 1 | Combination of the Above | |
| PHY 2053 | College Physics I | 2 | *Combination of the Above* | |
| PHY 2053L | College Physics I - Lab | 2 | *Combination of the Above* | |
| PHY 2054 | College Physics II | 1 | Combination of the Above | |
| PSY 2012 | Introduction to Pyschology | 10 | Combination of the Above | |
| STA 2023 | Introduction to Probability and Statistics | 1 | Combination of the Above | |
| SYG 2000 | Introduction to Sociology | 1 | Combination of the Above | |

| Courses with No Cost for Textbooks/Instructional Materials | | | |
|---|---|---|---|
| Report all institution's course title(s) and number of section(s) (*n=* ) that did not require or recommend the purchase of a textbook(s)/ instructional materials and/or utilized open educational resources.  These may include general education courses, upper level courses, and courses for directed independent study, internships, thesis/dissertation, etc. | | | |
| | | | |
| **Fall 2021** | | | |
| **Total Number of Course Sections Offered** | | *n* **= 1016** | |
| | | | |

## Textbook & Instructional Materials Affordability Initiatives

Describe specific initiatives of the institution designed to reduce the costs of textbooks and instructional materials.

Florida A&M University has been very active in engaging its faculty and administration to participate in several initiatives throughout the 2021-20212 academic year to reduce the cost of textbooks and instructional materials. Some of the ongoing and new initiatives related to textbook affordability for AY2021-22 are provided here.

1. Florida Agricultural and Mechanical University (FAMU) entered into an agreement with Cengage to offer subscription-based access to course materials through Cengage Unlimited. The partnership allowed FAMU students to obtain thousands of eBooks, study guides and other materials for less than $125 each calendar year. Beginning fall 2020, FAMU students were able to purchase a subscription from FAMU's bookstore for $123.36—less than the cost of most hardcover textbooks. The subscription included course materials for many of the programs offered at FAMU. The partnership with Cengage was one of FAMU's key strategic initiatives to address the goals and expectations of the BOG and FAMU Board of Trustees. In the last academic year, FAMU sold over 3000 subscriptions, significantly reducing the cost of instructional materials for our students.

2. Beginning Fall 2022, FAMU, in collaboration with its bookstore partner Barnes and Nobles, implemented a new cost-savings initiative, the Rattler Pack designed to provide greater cost-savings to all undergraduate students at a rate of $24 per credit hour. With the Rattler Pack, students receive their course materiasl before the first day of class. The program is expected to save students at least 30-50% on the cost of course materials each term. An opt-out provision was implemented as part of the Rattler Pack program.

3. FAMU University Libraries continues to work as a partner with the Provost's Office to lower the cost of textbooks for FAMU students. Each semester, FAMU Libraries has available to students several copies of general education textbooks that students can check out on a 4-hour interval per day.

4. The University began exploring in AY2020-21 expanded use of OER's through formal partnerships with reputable organizations. Continued work towards that development is on-going.

Has the *opt-in* provision been implemented by your institution for the purchase of student materials? If yes, describe the impact this has this had on student savings, if any.

No.

Has the *opt-ou*t provision been implemented by your institution for the purchase of student materials? If yes, describe the impact this has this had on student savings, if any.

The opt-out provision has been implemented effective, Fall 2022. Cost-savings of the opt-out provision will be determined at the end of AY2022-2023 concluding year one of the Rattler Pack program.

| University Policies for the Posting of Textbooks and Instructional Materials & Compliance with the Posting Deadline |
|---|

Describe policies implemented to ensure the posting of textbooks and instructional materials for at least 95% of all courses and course sections 45 days before the first day of class.

The Division of Academic Affairs instituted the FAMU Textbook Affordability Committee (TAC) to ensure continued compliance with the State's mandate on textbook affordability. The committee meets annually to discuss the University's guidelines and procedures regarding Textbook Adoption and Affordability. TAC is comprised of the deans for Science and Technology, as well as Social Sciences, Arts, and Humanities, the respective departmental chairperson, a representative from Barnes & Nobles, and representatives of the Provost's Office. This committee along with the Assistant Vice President of Program Quality through the Provost's Office works with program faculty and FAMU's bookstore manager on disseminating information each semester about the adoption process and deadlines for posting instructional materials. Currently FAMU utilizes an electronic platform, Adoption Insight Portal(AIP), for course adoptions. Each term the FAMU Bookstore and Provost's Office sends communication via FAMUINFO of the deadlines for instructional materials. Faculty then have an identified time period before 45-days prior to the first day of class to adopt textbook materials.

• On or before October 1 for Spring semester (Spring 2021 adoption deadline extended to October 15th)
• On or before February 1 for Summer sessions
• On or before April 1 for Fall semester

Periodic updates are provided to the Provost's Office on adoption status to ensure timely adoptions.

Are the policies effective in meeting the reporting requirement? If not, what measures will be taken by the university to increase faculty and staff compliance for meeting the reporting requirement?

FAMU's policies are effective in meeting the textbook instructional materials reporting requirement. For academic year 2020-21, program faculty met the University's requirement for textbook adoptions within 45-days of the first day of class (98.32% Fall, 98.43% Spring). In the previous academic year 2019-20, 96.5% of FAMU's course textbooks were adopted within 45-days of the first day of class. Results from AY 2018-19 provide additional support for faculty working diligently to adopt their course materials by the required deadline. Approximately ninety-nine percent (98.88%) of all courses and course sections for the Fall 2018 semester met the University's deadline of July 14th for adopting and posting textbooks and instructional materials. Almost 100% percent (99.78%) of all courses and course sections including general education courses for the Spring 2019 semester met the University's deadline for adopting and posting textbooks and instructional materials. FAMU continuously strives to enhance its adoptions processes and effectiveness. Transitioning to the Adoption Insight Portal as of Fall 2020 created a more streamlined processes for communicating deadlines to faculty and generating reports for status updates systematically.

**Note: Per Board Regulation 8.003 (1) (h), a course or course section added after the posting requirement is considered an exception and should be reported on the "Exceptions" tab. A request for any other exception to the compliance deadline shall be submitted in writing to the designated university official and shall provide a reasonable justification for an exception. A course or section added after the notification deadline is exempt from this notification requirement.

| Exceptions |
|:---:|

Per Board of Governors Regulation 8.003(1)(h), Textbook and Instructional Materials Affordability, any request for an exception to the compliance deadline shall be submitted in writing to the designated university official and shall provide a reasonable justification for an exception.  A course or section added after the notification deadline is exempt from this notification requirement.
