CALL LOG/LIST

The CALL LOG/LIST icon will appear in DISPLAY if a call is RECEIVED, FORWARDED, MISSED OR DIALED. Once the list is viewed, the ICON will deactivate.

Each call list may contain up to 30 entries. Once this limit is reached, the oldest entry in the log is deleted.

Multiple calls from the same number are only listed once. The number of call attempts is logged in the "Details" context Menu..

TO ACCESS A NUMBER FROM YOUR CALL LOG/LIST:

- **From Idle Menu**, Press the circular **CALL LOG** button (If you have missed calls, this button will be illuminated along with the Call Log display notification.)
- Select from: MISSED, DIALED, RECEIVED or FORWARDED tabs by pressing the **Call Log** button
- Scroll \blacktriangle and select a number from the list OR simply view the Missed Calls list to clear the Call Log notification from your display
