### NOTICE OF INTENT TO TERMINATE PROCUREMENT, REJECT ALL REPLIES, AND REPROCURE ITN NO. 0003-2025

September 17, 2025

To: All Respondents to ITN No. 0003-2025, Florida A&M University Pouring Rights and Campus Vending

RE: Termination of Procurement, Rejection of All Replies, and Notice of Intent to Reissue

Dear Vendors,

In response to a protest that has been filed challenging the Notice of Intent to Award for ITN Number 0003-2025, Florida A & M University Pouring Rights and Campus Vending ("ITN"), and pursuant to Florida Board of Governors' Regulation 18.002 (7) (b) and Florida A&M University ("FAMU") Regulation 6.005 (9) (k), Florida A&M University ("FAMU") has decided that it is in FAMU's best interest to terminate the ITN, reject all Replies, and reissue a new ITN in the future.

In accordance with Section 119.071(1)(b)3, Florida Statutes, because FAMU is rejecting all Replies and concurrently providing notice of intent to re-issue the ITN, the Replies submitted in response to the original ITN remain exempt from public records disclosure until FAMU provides notice of an intended decision concerning the re-issued ITN or until FAMU withdraws the re-issued ITN. The new ITN will be advertised on the website:

FAMU encourages your company to participate in the re-solicitation process.

Failure to timely file a protest or failure to timely deliver the required bond or other security in accordance with the Board of Governors' Regulations 18.002 and 18.003 shall constitute a waiver of protest proceedings.

Sincerely,
