Institutions should follow IPEDS Fall enrollment guidelines (<https://nces.ed.gov/ipeds/use-the-data/survey-components/8/fall-enrollment>) for when to capture a student's age. For example, institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.
